[01] PROFILE

I design how AI is built into products and workflows: UX/UI, web, apps and design systems. 15+ years in design and an AI-native workflow that takes an idea all the way to a deployed product.

[02] EXPERIENCE

Founder · NOOMO studio

[ADD: START DATE] — PRESENT · AARHUS

Digital studio for B2B companies in Denmark and Europe: Shopify stores, corporate websites and MVP apps. noomo.dk

Lead UI/UX Designer · Unifood Import A/S

MAR 2025 — PRESENT · DENMARK, REMOTE

Redesigned the website for a Danish B2B food importer. Built the full visual system from scratch: typography, spacing scale, and a component library ready for developer handoff.

Lead UX/UI Designer & Art Director · WAMP

JUL 2014 — AUG 2023 · KYIV, HYBRID

Grew from designer into a leadership role over 9 years, owning end-to-end product and creative direction for SaaS, e-commerce and B2B clients across the EU and US markets.

Graphic Designer · GeeksForLess Inc.

FEB 2011 — NOV 2013 · MYKOLAIV, UKRAINE

First professional design role at a US-based IT outsourcing company serving US and EU clients: branding, print and digital design.
